Dear Sirs,

## **Sub: Company Updates**

Pursuant to the provisions of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (the Regulations) we wish to inform as follows:

In view of the Government of India's Order under the Disaster Management Act, 2005 to implement complete lock down in all parts of India for a period of 21 days from 25.03.2020 to contain spread of COVID-19 virus, the operations of the Linear Alkyl Benzene, Heavy Chemicals and Propylene Oxide Plants are being shut down with effect from 25<sup>th</sup> March 2020.

The duration of the shutdown would depend on future developments and also directives from the Governments and so is not known at present. Therefore the impact of these measures on the operations and performance of the Company is unascertainable at this point in time. The situation would be monitored closely and suitable actions would be taken based on exigencies and regulatory requirements.

Wherever possible 'Work from Home' has been adopted for administrative and other supportive functions.

Further updates in this regard will be provided at the appropriate time, in terms of the Regulations.

We request you to kindly take the above on record.

Thanking you,  
Yours faithfully,
